Dear Jim:

On September 3, 2012 the neighbors adjacent to the Whitaker property involved in the Rogue Advocates v. Josephine County, LUBA No. 2011-037 remand hearing asked Josephine County to consider our position that the Josephine County Rural Land Development Code 33.130(D) Remand Hearings (http://www.cojosephine.or.us/Files/complete_code_2005.pdf) illegally limits participation in land use remand hearings and our standing to participate in the remand proceedings for Rogue Advocates v. Josephine County (Attachment One).

We believe this issue as defined by Siporen v. City of Medford, 55 or LUBA 29 (2007), and its clarification of ORS 197.763(7), could be valuable for the Oregon Citizen Involvement Advisory (DLCD) to consider as we understand it is a statewide issue.

This is a request for Rogue Advocates to consider representing this issue and the Concerned Ridgefield Neighborhood with the Oregon Citizen Involvement Advisory Committee and the Oregon Department of Land Conservation and Development.

Thank you in advance for any assistance that you can provide.

Sincerely,

Evelyn Heinrichs, Representative
Concerned Ridgefield Neighborhood
Josephine County, Oregon
