## Hugo Emigrant Trails Committee

Hugo is blessed with a rich heritage of historic roads, rough though they were. The *Hugo Emigrant Trails Committee* was formed to bring together all those who want to learn more about the early transportation in the area, from the casual admirer to the dedicated researcher. Its aim is to collect and record information about Hugo's emigrant trails, especially its two historic 1850s General Land Office mapped roads, and to share this information (e.g., through *Hugo History Day*, talks, hikes, group visits, training exercises, workshops, publications, web sites, etc.).
