Private Ownership The 1855 GLO plot of JA-17B on the 1996 Glendale Quad identified the POI is located approximately **310'/320' - 350" west of the Sunny Valley Road (SVR)** on Tax Lot 1900. The difference between the early *Trail* location (between JA-17B & JA-17C) and its later evolution to today's SVR is consistent with many other road segments (e.g., Oxyoke Road, Highland Avenue at Harris Creek, Donaldson Road, Monument Drive away from Schoolhouse Creek, etc.) which moved from the wet, muddy, winter bottom lands to the toe of slopes.

Hugo Emigrant Trails Committee

Hugo is blessed with a rich heritage of historic roads, rough though they were. The *Hugo Emigrant Trails Committee* was formed to bring together all those who want to learn more about the early transportation in the area, from the casual admirer to the dedicated researcher. Its aim is to collect and record information about Hugo's emigrant trails, especially its two historic 1850s General Land Office mapped roads of the Applegate Trail, and to share this information (e.g., through *Hugo History Day*, talks, hikes, group visits, training exercises, workshops, publications, web sites, etc.).
