
Josephine County Sportsman Association (JCSA)

Mission. The JCSA's mission is to contribute to the community it serves by providing a safe, well-regulated facility for the promotion and expansion of varied forms of shooting sports. The JCSA is devoted to the promotion of responsible gun ownership and the education of responsible sportsmen within its community. It seeks to inspire its youth to excellence in the shooting disciplines. And, overall, it is

dedicated to the defense of the Second Amendment to the Constitution of the United States of America in helping to preserve the right to keep and bear arms as our heritage by word, deed, and example.

Joint Applegate Trail Project. The purpose of the joint project is to promote community by promoting the Applegate Trail on the JCSA-administered land through jointly developed interpretive material, including physical on-the-ground signing. Sharing and publication could occur in many ways: at Hugo History Day, in *The Daily Courier's* "Mondays Make History," via email, web page publication, printed copies, workshops, presentations, etc.

Members of the JCSA had been discussing that someday when the Hugo Applegate Trail project is completed, it, hopefully, will be able to have a monument erected on JCSA property in commemoration of this part of the Applegate Trail in Oregon's historic past (JCSA June 2006 Newsletter).

Applegate Trail Points of Interest In Sportsman Park: # JA-6 & #JA -7

Hugo's Applegate Trail routes of interest are located from Louse Creek in the south to Grave Creek in the north.

- Road from Willamette Valley to Jacksonville (route of the Applegate Trail)
- Road to Illinois Valley via Van Noys Ferry (route of the Applegate Trail from Widow Niday's place to ferry location on Rogue River)

There are 17 major "road" 1856 General Land Office (GLO) field note locations for the "Road from Willamette Valley to Jacksonville" (JA = Jacksonville Road) within Hugo's routes of interest. These points of interest "#" are numbered JA-1 through JA-17. There are eight major "road" GLO field notes for the "Road to Illinois Valley via Van Noys Ferry" within Hugo's routes of interest. There are six GLO field survey notes that identified houses which were close to the road, fields, prairies, and fences. In total there are 31 GLO field note locations within Hugo's Applegate Trail routes of interest.

Points of interest "#" locations JA-6 and JA-7 are located on JCSA-administered land. Joint JCSA and *Hugo Neighborhood* wooden signs with these location numbers means that the Applegate Trail is located within 30 - 50 feet of the marker.

Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the Hugo Neighborhood Association & Historical Society (*Hugo Neighborhood*). It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry in decision-making. The *Hugo Neighborhood* is an informal nonprofit charitable and educational organization with a land use and history mission promoting the social welfare of its neighbors.

Land Use & History

The *Hugo Neighborhood's* land use mission is to promote Oregon Statewide Goal 1 — Citizen Involvement, and to preserve, protect, and enhance the livability and economic viability of its farms, forests, and rural neighbors. It will act, if requested, as a technical resource assisting neighbors to represent themselves.

Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Volunteer membership dues are \$10.00 annually per family and normally used for paper, ink, envelopes, publications and mailings. Make checks to the *Hugo Neighborhood* and send them to our Treasurer. Send us your e-mail address if you want to know what we are doing.
