## D. W. Butler

For purposes of the Hugo's Settler brochure series, an early Hugo settler includes anyone who lived, worked, or owned property there sometime from 1900 through the 1930s.

**1911** D. W. Butler, the strawberry expert, who originated the Corinne variety of strawberry, is putting in a bed of this specie at Three Pines for J. D. Cook, secretary of the Farwell Construction company. Mr. Butler is taking great pains with the planting and the berries are sure to be prize winners as soon as the vines are in bearing. *Rogue River Courier*. March 31, 1911. Three Pines.

## Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the Hugo Neighborhood Association & Historical Society (*Hugo Neighborhood*). It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry in decision-making. The *Hugo Neighborhood* is an informal nonprofit charitable and educational organization with a land use and history mission of promoting the social welfare of its neighbors.

### Land Use & History

The *Hugo Neighborhood's* land use mission is to promote Oregon Statewide Goal 1 — Citizen Involvement, and to preserve, protect, and enhance the livability and economic viability of its farms, forests, and rural neighbors. It will act, if requested, as a technical resource assisting neighbors to represent themselves.

Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Volunteer membership dues are \$10.00 annually per family and normally used for paper, ink, envelopes, publications and mailings. Send us your e-mail address if you want to know what we are doing.
