

CACNA Coalition

The Citizen Advisory Committee/Neighborhood Association (CACNA) *Coalition* is an association of land use CACs and NAs in Josephine County, Oregon.¹ *CACNA Coalition* meetings over the past few years have been mostly for information sharing. There are no officers. The historical and informal *CACNA Coalition* agreement has been that, on a case-by-case basis, any representative of a CAC or NA could organize and call for a CACNA meeting for an “issue” of interest. There is no responsibility for anyone to attend these meetings. NAs normally have five or more members.

Networking & Education

The *CACNA Coalition* meeting goal is developing an organized land use networking and education group and exploring other issues of citizen interest. A generic agenda for meetings includes the following.

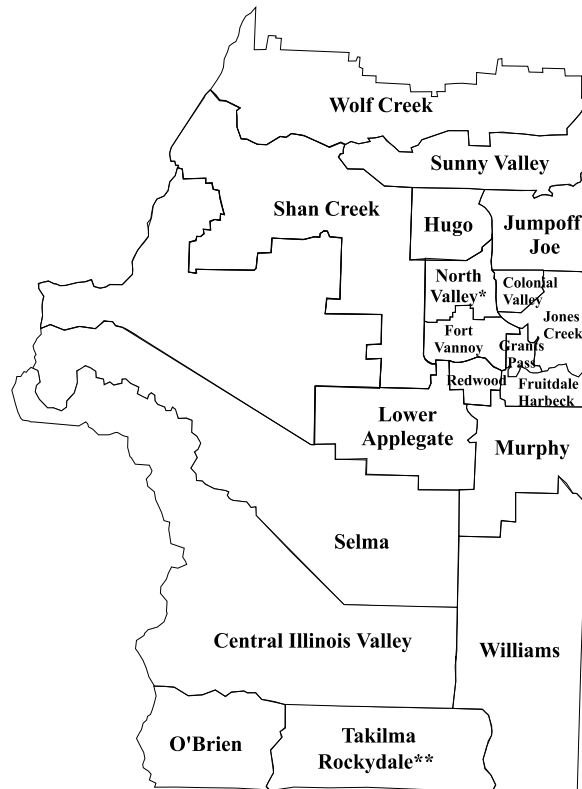

1. Information Sharing
2. Special Meeting “Issue”
3. Individual CAC & NA Missions/Goals
4. Common CAC & NA Goals
5. Refining CACNA Mission
6. Methods For Achieving Common CAC & NA Goals, Such as Political Action Committees.

Invitees are all CAC and NA officers and the members they invite, and others agreed to by the sponsor(s) of a special issue meeting.

1. The roots of the CAC/NA Coalition are in Josephine County Ordinance No. 93-13.

CACs & NAs

CACNA Citizens Taking Action

“The mission of the Josephine County CACNA Coalition is to identify methods with which its individual groups’ common goals (e.g., neighborhood watch, land use, sheriff patrol, resource issues, notice, etc.) can be achieved by means of networking, education, and the development of a power base.”

NAs In 2003 there were 16 citizens which had elected to register their groups as NAs prior to the county doing away with “notice” of land use applications to NAs for actions in their areas.
