
Hugo Wildflower Program

Our community now has a Hugo Wildflower Program and Committee. The purpose of the program and committee is to share information about its local wildflowers. Part of the program allows Hugo neighbors to publish for free photographs of Hugo wildflowers on the Hugo Neighborhood Association & Historical Society's web site.

The Hugo wildflower web site will be used to publish wildflower information and photographs approved by the Hugo Wildflower Committee which is acting under the authority of the *Hugo Neighborhood Board*. Wildflowers will be published by color categories.

The Hugo Wildflower Committee is authorized to review and publish information and photographs of Hugo wildflowers as it deems appropriate. It will develop, as applicable, its own rules for accomplishing this objective.

Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the Hugo Neighborhood Association & Historical Society (*Hugo Neighborhood*). It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry in decision-making. The *Hugo Neighborhood* is an informal nonprofit charitable and educational organization with a land use and history mission promoting the social welfare of its neighbors.

Land Use & History

The *Hugo Neighborhood's* land use mission is to promote the social welfare of the citizens of the area by working to promote Oregon Statewide Goal 1 — Citizen Involvement, and by preserving, protecting, and enhancing the livability and economic viability of its farms, forests, and rural neighbors. Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Membership dues are \$10.00 annually and due in January. They are used for paper, ink, envelopes, publications, and mailings. Make checks to the *Hugo Neighborhood* and send them to our Treasurer. Send us your e-mail address if you want to know what we are doing.
