Hi Mike,

There is no review for submitted survey forms, they are automatically listed with the commission when they are received. If the status is contested, commissioners or staff will do the work to confirm the status. In most cases we receive photos of markers that prove the status.

Those organizations are resources to contact for assistance in long range planning. The Oregon Mortuary and Cemetery Board and the Cemetery Association of Oregon are primarily resources for operating cemeteries. I am giving a Historic Cemeteries 101 workshop in Florence at the library on August 27, 10-1. It is free and anyone is welcome to attend.

Take care, Kuri
