Tom: *“At a personal level I put my whole heart into each project as if it were in my own home. It is my art of “Yes.” I take pleasure in how far we can go for the customer. Let’s go, the smile on their faces mean everything to me. For example, I look for ways the customer can manage aspects of the job they want. Talking and having fun on the job is positive for the customer and the business. Getting referrals from customers is the norm and historically has resulted in additional sales.”*

Thomas Bruce Walker and Christine Marie DisCello married in Grants Pass, Oregon. They had two children, Sierra and Summerlynn, both born in Grants Pass. Many of Tom’s memories are when he was building some kind of fort or kid game out in one of the Walker’s barns for Sierra and Summer for visiting family.

Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the Hugo Neighborhood Association & Historical Society (*Hugo Neighborhood*). It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry in decision-making. The *Hugo Neighborhood* is an informal nonprofit charitable and educational organization with a land use and history mission of promoting the social welfare of its neighbors.

Land Use & History

The *Hugo Neighborhood's* land use mission is to promote Oregon Statewide Goal 1 — Citizen Involvement, and to preserve, protect, and enhance the livability and economic viability of its farms, forests, and rural neighbors. It will act, if requested, as a technical resource assisting neighbors to represent themselves.

Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Volunteer membership dues are \$10.00 annually per family and normally used for paper, ink, envelopes, publications and mailings. Send us your e-mail address if you want to know what we are doing.
