

## Hugo's Pioneers: 1800s

At a minimum, for purposes of the Hugo's Pioneers brochure series, a Hugo pioneer includes anyone who received a final 1800s land patent from the U.S. government for our region.<sup>1-2</sup> In most cases this means that they were proving up, at a minimum, for five to 10 years prior to receiving their final patent. Others will be identified who were born or lived in Hugo in the 1800s, especially those that made the overland journey prior to 1871 when the cross-continental train service became available, and before 1883 when train service became available in southern Oregon.

It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry in decision-making. The *Hugo Neighborhood* is an informal nonprofit charitable and educational organization with a land use and history mission of promoting the social welfare of its neighbors.

### Land Use & History

The *Hugo Neighborhood's* land use mission is to promote Oregon Statewide Goal 1 — Citizen Involvement, and to preserve, protect, and enhance the livability and economic viability of its farms, forests, and rural neighbors. It will act, if requested, as a technical resource assisting neighbors to represent themselves.

Its history mission is to educate, collect, preserve, interpret, and research its local history and to encourage public interest in the history of the Hugo area.

Volunteer membership dues are \$10.00 annually per family and normally used for paper, ink, envelopes, publications and mailings. Send us your e-mail address if you want to know what we are doing.
