

## Community Sign Dedication

The Hugo Neighborhood Association & Historical Society's community sign project is moving nicely toward completion. On July 2002 the structure for the community sign was installed on Jess and LeeJoy Walker's property at 850 Three Pines Road.

A big thank you to woodsmith Art Chatham for the construction of the hanging signs. The largest one is 16 square feet. Great job! Sign dedication is scheduled for 10:00 a.m., May 10, 2003 at the sign. Hugo History Day is June 7, 2003 at the Hugo Ladies Club. Many generous individuals and businesses have contributed over a \$1,000 in labor, materials, and/or dollars toward our community sign project. It was not possible without their support. Thank you very much.

## Hugo Neighborhood Association & Historical Society's Mission

This information brochure is one of a series of documents published by the *Hugo Neighborhood*. It is designed to be shared with neighbors for the purpose of helping protect our rural quality of life by promoting an informed citizenry.

The *Hugo Neighborhood* is an association of voluntary citizens interested in both the land use and history of the Hugo area, which is located in Josephine County, Oregon.

### Land Use & History

Its land use mission is to promote the social welfare of citizens by working to preserve, protect, and enhance the livability and economic viability of its farms, forests and rural neighbors.

Its history mission is to identify, document, interpret, and preserve the cultural resources of our community, especially our local history, and for building public cultural interest and participation in the history of the Hugo area.

On January 1, 2003 we began the concept of volunteer membership dues. They are \$10.00 annually and will be used strictly for paper, ink, envelopes, publications and mailings. Send us your e-mail address if you want to know what we are doing.
