20. Total SB 1145 Inmates: Senate Bill 1145 (1995), with its follow-up bill, House Bill 3489 (1996 Special Session), created a new relationship between the State of Oregon and counties in the area of community corrections. Under the bill, counties assume responsibility for felons: (a) on parole; (b) on probation; (c) on post-prison supervision; (d) sentenced to 12 months or less incarceration; or (e) sanctioned by a court or the State Board of Parole and Post-Prison Supervision to 12 months or less for violating a condition of parole or post-prison supervision. Thus, the distinction between state and county responsibility for an inmate is based on the length of sentence, not the labels of misdemeanor and felony. Twelve months or less and the defendant stays in the county jail. Anything above twelve months incarceration and the defendant goes to the Oregon Department of Corrections.
