Dear John:

We are sorry to bother you but I could not find a contact on your web site to answer questions about the 2013 Enrolled Oregon House Bill 3453. We have specific questions on the following topics.

1. Public Safety Fiscal Emergency (PSFE)
2. Minimally Adequate Level of Public Safety Services (MALPSS)
3. Intergovernmental Agreement
4. Intergovernmental Agreement Entity
5. Designated Intergovernmental Agreement Officer

We would be most grateful for a contact with your office and the identification of any publications pertaining to HB 3453 and the above topics, especially the definition of a PSFE and the standards for defining a MALPSS (Enclosure 1).

My interest is as a member of a local land use and history citizen group in Josephine County, Oregon, the Hugo Neighborhood Association & Historical Society (HNA&HS).

The HNA&HS established the Justice System Exploratory Committee on June 17, 2013 (Enclosure 2). The mission of the Committee is to independently research the Josephine County Justice System & PSS issue (Enclosure 3), and publicly provide its analysis through web page publications.

We have already researched quite a bit of material even though we have just barely started a web page. Our Web Master is ill and most of our present findings are not web published. We share this information only to give you a sense of our seriousness in researching the issue and sharing with the public.

Sincerely,

Mike Walker, Chair  
Justice System Exploratory Committee
