Wrap Up Dinner:

The dinner get together was at Taprock Northwest Grill in Grants Pass. Jim stated that he was impressed with the work the Hugo Neighborhood Association & Historical Society has done on locating the trail within our 18 mile section and the use of the M.E.T. manual standards (i.e., inventory, mapping, diaries, journals, and reminiscences). The statement was made that HUNAHS was well prepared. The comment was made that we had hoped for more NW OCTA representation. Also, this area(Rogue River Valley) and the Applegate Trail are being considered for the 2013 OCTA National Convention.
