

Three Pines

Saturday, February 10 being the fifteenth birthday of Miss Pearl Baer, her parents, Mr. and Mrs. Geo. Baer, gave a party to celebrate the event. Their comfortable farm home was thrown open to many friends, young and old, of Miss Baer, and the most enjoyable event of the social season was the result. The very fact, however, of the party being at Geo. Baers' insured a good time. The spacious living room was prepared for dancing and that was the principal entertainment, although games and visiting were on the program for all who did not care to "trip the light fantastic."

Thursday, the 8th instant, a special school meeting was held and Fred A. Wilson was elected clerk to succeed W. E. Daniel, resigned.

E. A. Rathbone, road supervisor of the Winona district, has a force of men and

teams at work opening the new road from this place up the Jump-Off-Joe. This will be a great improvement over the road conditions now prevailing, as the new line follows a more direct route and better grades.

Guy Colby is hauling lumber from this point to Quartz Creek, where he and Ray Colby will construct a bungalow for Burr Green.

It will not be amiss to again call the attention of people who are looking for a comfortable home country to the very fine weather we are continuing to have. From 50 degrees above to 40 degrees below is a very uncomfortable difference. Take notice we seekers for the best place on earth and come to the Rogue river country and climate and do not forget that Three Pines is as good as the best we have.
